

Arch Chemicals, Inc. Global Commitment To Responsible Care®

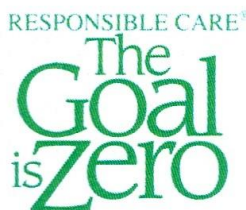

With focus on the Goal of Zero, Arch recognizes its public commitment to Responsible Care®. Arch employees are committed to the creation of sustainable value, protection of the environment, and the health & safety of our employees and other stakeholders through the following key principles:

COMPLIANCE with applicable legal, regulatory, and Responsible Care® related requirements.

CONSERVATION of energy and natural resources through sustainability initiatives along the entire value chain.

CONTINUAL IMPROVEMENT of environment, health, safety, and security performance.

COMMUNICATIONS and open dialogue with our internal and external stakeholders.
